## **Justa Honey Amber**

Red Ale - American Amber / 6.2% ABV / 52 IBU

It's not hazy, it's not juicy, it's not sexy, it's just an old school hoppy amber infused with Orange blossom honey. We brew this with Vienna and crystal malts to give it the sweetness and color you expect and then kettle hop and dry hop it with Cascade, Nugget, and Simcoe to give it a quenching hop bouquet of citrus and pine you expect from our beers. The addition of Orange Blossom Honey adds complexity in sweetness and flavor to round this brew out.
