

THE ROASTERY

From Our Hands To Yours. We source and hand-select amazing coffees from around the globe and bring them home, just for you. Once we bring them into The Roastery we develop our roast to bring out the most in each and every bean. Following the roast process, our coffees are rested prior to packaging or serving to insure optimal flavor in every cup.

OUR TOP LOTS

Amazing Arabicas - Tanzania AA Northern Mondul Estate

11oz Fresh Roast Bag **\$12.00**

Tasting Notes: Sweet Caramel, Nice Body, with a Kiss of Sunshine Citrus. The Mondul Estate is part of the Burka Estate which is one of Tanzania's oldest and largest specialty coffee producers and is located in Northern Tanzania. This coffee is grown at 1765 MASL, processed fully washed and Dried on raised beds in the African sun. We then develop this coffee to bring out the sweet & vibrant flavors this region produces.

Farm Direct - Huehuetenango Guatemala

11oz Fresh Roast Bag **\$12.00**

Right before the shutdown in 2020 we visited the beautiful country of Guatemala following the harvest. This is one of the gems we brought back. This coffee was grown by Don Felipe & Sons at Finca Beatriz over 4900 FASL. This coffee was produced using a unique fermentation process which brings out the fruit and acidity in this coffee. We roast this coffee on the light side to maintain the true character of this coffee. This coffee has a medium body and pleasant sweetness with amazing notes of brown sugar, citrus and coffee blossoms. A great cup from a beautiful region.
